Earn \$30  
in Free Product(s)

Thank you for shopping with me! I am so happy to be able to offer you FREE products from any current Stampin' Up! Catalog or the Clearance Rack (while supplies last).

## WHAT YOU NEED TO DO

1. Use my current Host Code when placing your \$50 online order, before tax and shipping.
2. To earn a pearl, your purchase must be at least \$50. You cannot make 3 - \$20 purchases and earn a pearl. However, a \$100 purchase will earn you two (2) pearls. If your product total is between \$50.01 and \$99.99, you can only circle one (1) pearl. This offer may not be included with any other promotion I may run unless specified.

NOTE: If your order is \$150 or more, DO NOT use my Host Code as you will earn your own Host Rewards. Host Reward orders do not qualify for pearls.

3. For each \$50 purchase, circle a pearl and record your order number.
4. Once you have made your 10<sup>th</sup> purchase, email me what you would like to order. You have \$30 to apply to any order. If your order goes over the \$30, I will send you a Pay Pal invoice for the difference.

Purchases that count toward a pearl

- Online Orders of at least \$50 before tax and shipping
- Products purchased with a Take & Make Class

Items that do not count toward a pearl:

- Class and Project Planner Purchase
- Host Benefit Orders
- Shipping and Tax on orders
