## INSTRUCTIONS

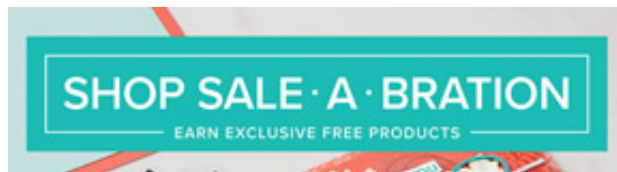

Refer to YouTube Video on blog or go to <https://youtu.be/1apqqKC9qDc>

1. Using Memento Tuxedo Black Ink, stamp the sneakers onto the 3" x 3" Whisper White cardstock and onto the 3" x 3" piece of the Bermuda Bay mini stripe DSP.
2. With the largest square from the ^Stitched Shaped Framelits, die cut the sneakers on the Whisper White cardstock.
3. Using either the Whisper White Craft Ink and an Aqua Painter or the White Stampin' Chalk Marker, color in the shoelaces on both sneakers and the inside of the right sneaker. When the ink is completely dry, cut around the top portion of the sneakers.
4. Glue the cut out sneaker pieces to the sneakers stamped on Whisper White.
5. Use your previous coloring method to finish filling in the dangling shoe laces and the white rim on the front of the sneakers.
6. Run the Bermuda Bay cardstock through the Big Shot using the Sparkle TIEF and attached to front of Whisper White card base.
7. Attached the bottle cap piece of DSP to the middle of the front of card.
8. Once ink has dried, attached sneaker piece to the Calypso Coral or Daffodil Delight cardstock. Attach Stampin' Dimensionals to this unit and place off center on the front of the card.
9. Place 3 stars from Regal Enamel Shapes on the front of sneaker piece.
