INSTRUCTIONS

1. Cut a piece of Thick Whisper White at 4-1/4" x 11" and score along the 11" side at 3/4", 5-3/4", and 6-1/8". Fold on all the score lines to create a matchbook. NOTE: The extra scores in the middle create the matchbook effect but the card may be folded flat for mailing.
2. Cut a piece of the Regals 6" x 6" DSP at 4" x 4-1/2" and attach to front flap of card.
3. With So Saffron ink, stamp the solid cake image on Whisper White Thick cardstock and die cut (or hand cut). Cut a slit across the top of the cake using either a trimmer or Xacto knife.
4. Stamp the candles in Tuxedo Black Memento Ink onto Whisper White. Stamp the image again onto a sticky note near the ends that has adhesive, trim closely around the sticky note image to create a mask. Place the mask over your first group of candles and stamp the candles two more times.
5. Color each candle with a different color Stampin' Blend or markers of your choice. Cut around the candles.
6. Cover the bottom the words "how old" with tape, ink the stamp with Memento ink, remove the tape then stamp "you're" on the top portion of the cake. Clean and dry the stamp well. Repeat the procedure covering "you're" with tape and stamping "how old" onto the lower portion of the cake.
7. Slip the candles into the slot at the top of the cake, trimming off and/or regluing candles to fit into the slot. Glue the candles in place at the back of the cake.
8. Place Red Rhinestones around the center of the cake. Attach Stampin' Dimensionals on the back of the cake and attach to front of card.
9. On a piece of Whisper White, stamp the large single match stick in Memento ink 12 times very close to each other. Color the ends of the match with a Real Red Dark Stampin' Blend (or marker) and the stick with a Smoky Slate Light Stampin' Blend (or marker). Cut out the matches by hand.
10. Place a piece of Tear and Tape along the lower edge of the bottom flap. Attach the matches in the middle and secure the lower flap. NOTE: If you place the Tear and Tape too high, you will not be able to slip the front of the card inside.
11. Using Memento ink, stamp "Happy Birthday" on the inside.
