### INSTRUCTIONS

1. Cut a 4-3/4" x 10" piece of Cherry Cobbler Cardstock.
2. Score along the 10" side at 1/2", 2", 4", and 5-1/2".
3. Score along the 4-3/4" side at 1-1/2" and 3-1/4".
4. Fold on all the scored lines.
5. Cut on the score lines indicated in red. DO NOT cut the long diagonals at this time.

6. Cut off the 1/2" tab areas as indicated in gray. Cut a slight angle on each side of the front tab.

7. Punch a 1-1/4" circle out of scrap paper. Place the circle in the location indicated on the diagram above and trace the circle. Use the outline to punch out the circle. To make the bottle fit, cut tiny snips around the the circle. Before proceeding, test to make sure the bottle will slide through without too much difficulty.

8. Place Tear & Tape, Multipurpose Liquid Glue, Fast Fuse or some other strong adhesive in the areas indicated by the pink bars.

9. Fold up the long sides of the box placing the next set of flaps to the inside and the third set of flaps to the outside, as shown in the photo, and attach the tab pieces to the sides and back of the box. Place adhesive on the outside flaps to attach to box.

10. Cut the sides of the box at an angle as indicated in the diagram and photos.

11. Cut a 1-5/8" x a scant 2-1/2" piece and a scant 1-3/4" x 2" piece from the remaining piece of plaid from the kit (or Designer Series Paper of your choice) and attach to inside and outside of box. NOTE: When using the term "scant", I mean to cut the piece slightly narrower than the size indicated rather than getting into 16th of an inch measurements.

12. To finish the front embellishment, attached two branches. Punch a 1-1/4" circle from Cherry Cobbler and attach with a

Stampin' Dimensional. Stamp "For You" in Cherry Cobbler ink on a banner strip and trim. Attach a vellum strip behind it and trim. Attach this piece to the circle. Add a bow, sequin, and the bottle and make someone's day!
