INSTRUCTIONS:

1. Score the 8-1/2" x 5-1/2" piece of Sahara Sand cardstock at 4-1/4" and fold in half.
2. With Sahara Sand Classic ink and the *sand* stamp (dots), randomly stamp the front of the card.
3. On the 2-3/4" x 3-3/4" Whisper White cardstock using Sahara Sand Classic ink, stamp the smallest watercolor strip in the middle. On the adhesive edge of a Post It note stamp a second strip image. Cut out the image and place it over your stamped image on the Whisper White to create a mask.
4. Stamp the sun (circle) image in Daffodil Delight Classic ink with half the image on the mask and half stamping on the Whisper White cardstock. Remove the mask.
5. Stamp the largest watercolor image in Pool Party Classic ink up against the Sahara Sand strip.
6. Stamp the z-shaped watercolor strip in Island Indigo Classic Ink twice over the Pool Party area.
7. On the Sahara Sand stamped image, stamp two houses in Calypso Coral. Next to the houses stamp two sets of palm tree trunks in Soft Suede Classic Ink overlapping each other and two sets of palms in Always Artichoke.
7. On the 1" x 4" Whisper White cardstock stamp two houses in Calypso Coral Classic Ink and two sets of palms in Always Artichoke Classic Ink. Cut out images.
8. With the largest Layering Oval Framelit, cut an oval from the Calypso Coral cardstock.
9. With the largest oval from the Stitched Shaped Framelits, cut out your stamped scene. Do not be concerned if you cut off some of your scene or palm trees.
10. Attach the Whisper White stitched oval to the Calypso Coral oval with adhesive.
11. Place Stampin' Dimensionals on the back of this unit and attach it to the center front of the card.
12. Attach one cut out house directly over the rear house with adhesive and attach the second house in the front with a Mini Stampin' Dimensional.
13. Using pieces of Mini Stampin' Dimensionals, attach the palms to the trees.
14. On the 1/2" X 2-1/4" piece of Whisper White cardstock, stamp *Happy Birthday!*, cut a pennant on the end. Apply adhesive to the left side of the piece and a Stampin' Dimensional to the right side and attach hanging off the edge of the oval.
